

CONSTRUCTION OF INTERSTATE 269
Marshall County, Mississippi
MDOT Project No. DB/STP-0029-03(009)/102556-304000

DESIGN-BUILD PROJECT
NOTICE OF INTENT

MDOT intends to solicit proposals for Design/Build services to complete a portion of I-269 in Marshall County, Mississippi.

MDOT is utilizing an accelerated Project delivery method in support of the FHWA sponsored “Every Day Counts” innovation initiative. More information on the “Every Day Counts” program is available on the MDOT website.

The Project includes all work necessary to complete the grading, drainage and bridges for the new Interstate Highway 269 from east of Mason Road to SR 302. The bridges over I-269 at Shinault Road, SR 309, Bubba Taylor Road and Deer Creek Road and the I-269 twin bridges over Davis Road, Coldwater River and Dogwood Road are included in the Project. This Project will be constructed using conventional and progressive bridge construction to maintain the quality of the environment.

This Notice of Intent is to provide the anticipated scope of work. The details of the Request for Qualification and the Request for Proposals are currently being developed and will be published as soon as the information is set.

The anticipated contract award will be made in spring 2013.

A Design-Build Team will be selected for the Project based on a best value selection. The selection process will consist of two phases. MDOT will issue a Request for Qualifications (RFQ), which will be evaluated to establish a short-list of proposers that will be invited to submit proposals in response to the Request for Proposals (RFP). The selection process will evaluate the ability of the Proposers to plan, design, construct, and control this Project to provide a quality product, on or ahead of schedule.

This NOTICE OF INTENT is issued to allow potential proposers an opportunity to form Design-Build Teams in anticipation of issuance of the RFQ for this Project. No formal submittal is required at this time. The RFQ will be issued via the MDOT Website (www.goMDOT.com under Contracts and Letting, Design Build).
